SUSHISAMBA Los Angeles offers the opportunity for a full venue buyout – an immersive, multi-level experience that combines the **Main Dining Room, Bar, and Lounge** into one seamless setting, while a state-of-the-art **retractable roof** ensures year-round comfort and flexibility. Whether for seated occasions or standing cocktail and canapé receptions, the space adapts effortlessly to your event's needs.

CAPACITY: 185 SEATED / 350 RECEPTION

MAIN DINING ROOM

Inspired by the iconic wave patterns of Roberto Burle Marx's Copacabana sidewalks in Rio de Janeiro, the **Main Dining Room** is an airy, thoughtfully designed space. Flowing lines, lush greenery, and warm ambient lighting create a welcoming atmosphere that's equally suited for intimate dinners or high-energy celebrations.

Expansive sculptural umbrellas anchor the space – providing shade by day and transforming into glowing lanterns at night – enhancing the restaurant's vibrant, day-to-night energy.

For larger events, the dining room can be combined with one or both of the semi-private areas.

CAPACITY: 75 SEATED / 100 RECEPTION

SEMI-PRIVATE

For more intimate occasions, the **North** and **South Terraces**, two elevated semi-private spaces framing the Main Dining Room, offer the perfect balance of privacy and atmosphere. Perfectly suited for everything from private dinners to cocktail receptions, these flexible spaces adapt to a variety of group sizes and event styles.

NORTH TERRACE: 55 SEATED / 70 RECEPTION
SOUTH TERRACE: 55 SEATED / 70 RECEPTION

THE SUNSET TERRACE

The Sunset Terrace offers a semi-private, intimate setting with an elevated vantage point over the Los Angeles views. Perfectly positioned to catch the golden hour, it's one of the most sought-after spots to watch the city transition into night.

Ideal for private dinners and intimate gatherings, the space strikes a balance between privacy and atmosphere — delivering a front-row seat to LA's skyline.

CAPACITY: 11 SEATED

PRIVATE DINING ROOM

Tucked away for ultimate privacy, the 18-seat **Private Dining Room** is accessed via its own elevator and discreet kitchen entrance, ensuring seamless service and uninterrupted exclusivity.

Inside, rich textures and bold design converge: basket-woven walls, a sculptural pendant chandelier, and warm wood finishes create an atmosphere that's both intimate and visually captivating. Thoughtfully integrated with a state-of-the-art AV system, the space is ideal for high-level meetings, intimate dinners, or private celebrations.

CAPACITY: 18 SEATED

THE PATIO

Set apart from the main dining areas, The Patio offers a semi-private setting for group dinners and cocktail receptions. Defined by large-scale wall mural, the space brings a relaxed, open-air feel with a sense of separation from the main restaurant.

Ideal for more casual gatherings, it offers privacy, with a distinct atmosphere that feels both laid-back and considered.

CAPACITY: 14 SEATED / 25 RECEPTION

The image shows a sophisticated rooftop bar and lounge. A curved bar with a dark, polished surface is the central feature, lined with an array of liquor bottles. Behind the bar, a large, circular, metallic structure with a reflective, wavy interior adds a sculptural element. In front of the bar, several wooden chairs with bright orange cushions are arranged. The floor is a mix of light-colored stone tiles and a blue-grey patterned carpet. To the left, white planters hold various tropical plants. In the background, a city skyline is visible under a clear sky. The overall design is contemporary and stylish, with a focus on comfort and ambiance.

THE BAR & LOUNGE

Blending indoor comfort with open-air energy, the South American-inspired **Bar & Lounge** offers a dynamic setting for any occasion. Covered by a solid roof yet open on the sides, the space features east-facing views of Hollywood, built-in heaters, and ambient lighting. Sleek brass finishes and faux leather booths add a contemporary edge, while three dedicated TV plug-in points make the semi-private lounge as functional as it is stylish.

CAPACITY: 40 RECEPTION

FOOD & BEVERAGE

Our chef-curated menus showcase the best of **Japanese**, **Brazilian**, and **Peruvian** cuisines, featuring a diverse range of bold flavors and highest quality ingredients. From delicate tempura and sushi to indulgent churrasco and moqueca, to vibrant anticuchos and seviches, there's something to satisfy every palate.

SUSHISAMBA's small-plate style of service encourages a shared dining experience for seated events, while signature canapés and interactive chef stations are ideal for standing receptions and parties.

Complementing the cuisine, the restaurant features an extensive selection of specialty and zero-proof cocktails, Japanese whisky, and premium sake, along with a robust wine and Champagne offering.

With flexible menu options, our events team will work closely with you to create an experience that feels both personal and unforgettable.

A woman with long dark hair, wearing a shimmering sequined dress, is captured in a dynamic pose, possibly dancing. She is positioned in the lower right foreground, looking down and to the left. Behind her is a large, flowing, crinkled gold foil backdrop that catches the light, creating a bright, festive atmosphere. The background is dark, making the gold foil and the woman's dress stand out.
